Betsy,

I spoke to Dennis Whitemarsh today. They are starting to clean up the place. He will need a building permit to replace the back stairs and landing. He said it will be a few more months before he opens it up to renters. He will call me to look over the property once he has cleaned up the building.

Additional Cart Policy

Residential zoned (R-1) properties will be able to procure additional garbage and recycling carts thru the City.

For each additional cart the residential zoned property will be billed, up front, the amount of the City's cost per the garbage and recycling contract plus 10% administration fee. Full year bills will be billed in September for the coming year. Partial year bills will be prorated per month. ((cost of the cart+administration fees)*all months used, including partial month)

Any delinquent bills not paid by September 1st will be put on the property tax roll.

Commercial zoned properties need to contract additional service on their own.
