The City of Markesan Board of Zoning Appeals Public Hearing on Thursday, July 18, 2019 was called to order by Chairperson, David Zanto. Meeting purpose was to discuss and resolve a variance request by Rich and Lillian Slate to install a front yard fence against Section 400-19(D) of Markesan Municipal Code –Street Yard Modifications.

The Chairperson asked for public comment. Marie Schmidt stated she was against the variance noting that there is an ordinance preventing front yard fencing for a reason and does not think the Mayor will make it look nice.

It was mentioned and discussed that there are other properties around Markesan with fences in the front yard and that this is not unique to the city. The only difference is that this time an application for a variance has been submitted for approval.

After final discussion Chairperson, Zanto asked for a motion to approve the variance. David Brinkman motioned, and Mitch Dornfeld seconded approval. The motion carried unanimously.

Meeting adjourned at 7:25 p.m.
