We will have the siding, windows, front porch and rear porch re constructed by September 2020 since we are looking to remodel the whole house and it is a lot of work to be done. We have done the rear railing. We can not do much as we do not have the house deed and do not own the house yet. We want to make sure it is under our name and everything is in order before we can start the process. We do apologize for not being able to make it last time. We did have to work and i thought it would be on the 12th.

Deed is in Krystal; Shawn  
Strahota Name Now.
