GREEN LAKE COUNTY REOPEN RECOMMENDATIONS

MAY 14, 2020

WHEREAS, in December, 2019, a novel strain of the coronavirus was detected, now named COVID-19, and it has spread throughout the world, including every state in the United States;

WHEREAS, on January 30, 2020, the World Health Organization declared COVID-19 to be a Public Health Emergency of International Concern;

WHEREAS, on March 12, 2020, Governor Tony Evers declared a public health emergency and directed all agencies support to efforts to respond to and contain COVID-19 in Wisconsin;

WHEREAS, on March 13, 2020, President Donald Trump proclaimed a National Emergency concerning COVID-19;

WHEREAS, on March 17, 2020 the Green Lake County Board authorized an Emergency Declaration for Green Lake County;

WHEREAS, on May 12, 2020, Green Lake County Board Chairman Harley Reabe proclaimed a state of emergency in Green Lake County;

WHEREAS, as of April 15, 2020, 1,914,916 people around the world have tested positive for COVID-19, including 605,390 in the United States and 3,721 in Wisconsin;

WHEREAS, COVID-19 is present throughout Wisconsin, with people testing positive for COVID-19 in 65 of 72 counties as of April 15, 2020;

WHEREAS, medical and public health experts advise that this is the crucial moment in Wisconsin for us to flatten the curve and prevent the worst case situations we have seen in other parts of the country and the world;

WHEREAS, as we work to slow the virus, we need to also work to carefully and thoughtfully speed up our economy;

WHEREAS, The Green Lake County Health Department is relying on science, data, and public health experts to guide us through the difficult decision to reopen the economy while protecting the health and safety of all, including but not limited to federal "Guidelines for Opening up America Again" plan and the "Wisconsin Badger Bounce Back Plan". These plans provide guidance and metrics that are designed to slowly and cautiously reopen businesses and activities;

WHEREAS, the Wisconsin Safer at Home Order worked to flatten the curve of infections of COVID-19 in Wisconsin and the state saw meaningful gains from this protective step. This is a crucial time for Green Lake County to maintain the

momentum in containing COVID-19 in our communities and halt further dissemination of the disease.

RECOMMENDATIONS ON BEST PRACTICES

The Green Lake County Health Department recommends the following precautions and safety measures while reopening all businesses, organizations and activities in Green Lake County recognizing the continued concern related to COVID-19:

1. Business operations that have public interactions:
 - a. Do a wellness check of employees coming to work.
 - b. Limit capacity to 50% of your occupancy limit or 50 persons, whichever is less. Occupancy includes employees, managers, and customers.
 - c. Follow 6 foot social distancing when possible.
 - d. Have employees wear masks when interacting with public.
 - e. Sanitize commonly touched surfaces frequently with an EPA approved product for novel coronavirus.
 - f. Consider special hours for the elderly and those who are at high risk.
 - g. For other recommendations refer to the Wisconsin Economic Development Corporation (WEDC) guidelines.
2. Church service :
 - a. Limit capacity to 50% of your occupancy limit or 50 persons, whichever is less.
 - b. Consider providing masks to those that want them.
 - c. Sanitize commonly touched surfaces frequently with an EPA approved product for novel coronavirus.
 - d. Follow 6 foot social distancing when possible.
3. Long-Term Care Facilities (SNF/CBRF/AFH/Assisted Living/Group Homes)
 - a. Visitor policies as determined by the facility in conjunction with their licensing requirements per State and Federal rules. It is recommended that any policy include wellness checks and masks if allowing visitors.
 - b. Employee wellness checks
 - c. Follow 6-foot social distancing when possible for residents, staff and visitors
 - d. Consider having employees wear masks
 - e. Work with resident's employers to establish a safe return to work plan
4. Public Schools
 - a. Will be under the direction of the State until at least June 30, 2020
 - b. School buildings, facilities (including playgrounds and sports fields) remain closed to the public
5. Private Playgrounds and Pools

- a. Businesses with pools and playgrounds may reopen with safe practices
